

# PERFORMANCE STATEMENT 2018

We are delighted to be celebrating the end of Key Stage achievements of our 2017/18 cohort. KS2 outcomes show that in 2018:

- 65% of pupils at Bluecoat School achieved the expected level of attainment for their age in Writing, Reading and Maths; this is 6% above our school outcomes the previous year and 1% above the national outcome for 2018.
- 6% of pupils at Bluecoat School were assessed as working at greater depth in Reading, Writing and Maths which is 2% above our school outcomes in 2017 but 3% below the national outcome for 2018.
- The average scaled score per pupil at Bluecoat was 105 in reading, 105 in Maths and 105 in Grammar, Punctuation and Spelling.

In individual subjects:

- 76% of pupils achieved the expected level in Mathematics against 75% nationally (2017)
- 78% of pupils achieved the expected level in Writing against 76% nationally (2017)
- 71% of pupils achieved the expected level in Reading against 71% nationally (2017)
- 67% of pupils achieved the expected level in Grammar, Punctuation and Spelling (GPS) against 77% nationally (2017)

We are not complacent; despite on-going improvements made over the previous 3 years there remains room for further improvement. Our focus over the coming year will be on raising the attainment of our more able pupils. As an inclusive school we also continue to support a substantial proportion of pupils who face very significant academic challenges. Despite the academic pressures placed on all schools, we will remain committed to accommodating and supporting all of our pupils and ensuring that our provision is appropriate for them, valuing and celebrating the progress of each child as a unique individual.

It is also extremely important to us that all improvements take place within the context of a rich and vibrant curriculum which promotes all disciplines and empowers all our pupils to take ownership of their own learning (see our [Teaching & Learning Policy](#) and [Curriculum Statement](#)).

We would like once again to take this opportunity to thank everyone who has contributed to the success of Bluecoat C of E Primary School this year.
